MY TIE

Planets, Galaxies, and Proto-stars, I see
as I patrol for an evasive enemy.

And if a glorious death is the way I will die
Let it be at the controls of my beloved TIE.

Like a lover's endearing arms, she holds me tight,
Allowing me to do what she and I do best--FIGHT.

She can be tempermental and her controls need a soft touch,
The things I coax her to do are sometimes a bit much.

But, she is fast and her firepower is awesome,
As her enemy's explosions look like fire blossoms.

Planets, Galaxies and Proto-stars I see,
I am part of her and she of me.

On a very sad note, our Executive Officer, VA Renegade (Pappy Rene), died of heart failure during emergency bypass surgery on July 6, 1995. His efforts have been an inspiration to us all and his dedication has helped make the Emperor's Hammer the greatest online TIE Fleet ever! He began his EH career after a long and distinguished tour in the United States Armed Navy and he brought credibility, honor and balance to our Fleet. Condolences to his family and friends...

In honor of his memory and unswerving loyalty to the Hammer, VA Renegade has been posthumously awarded the EH Medal of Honor and this Newsletter is dedicated to his memory...Consequently, throughout this Newsletter will be my and other Member submissions posted in his honor...Not the least of which was his vision for the creation of the Infiltrator Wing which is introduced below in the Sub-Group Section of this Newsletter...

Pappy, you will not be forgotten...!
