Why are there so many
Songs about Rebels
And being on the light side
Rebels are traitors
Murderers and haters
And rebels have secret bases to hide
So we've been told and we choose to believe it
And I know they're evil wait and see
Someday we'll find it
The Rebel scum hideout
The killers, the smugglers, the thieves
One day when every death
From our troops are avenged
When perished on the mighty death star
So many lives were lost
Thanks to the rebel scum
Look what they've done so far
What's so amazing
That keeps our troops blazing
That keeps Tempest ahead of the fleet
We know that
Someday we'll find it
That Rebel scum hideout
The killers, the smugglers, the thieves
Our troopers are scouting
We know that it's somewhere
Have your men prepare the fleet
And we'll jump to lightspeed
I've heard talk of their base
In the corellian system
We'll quicken the pace
They won't know what hit them
Revenge will be so sweet
Someday we'll find it
The Rebel scum hideout
The killers, the smugglers, the thieves.
