

## Alpha Squad (YMCA) Song

Sing to the tune of: <https://www.youtube.com/watch?v=2XiYUYcpsT4>

Alpha Squad, There's no need to feel down  
I said Alpha Squad, Wipe all the Rebels around  
I said Alpha Squad, Cause Delta Squad has pulled out  
There's no need to be unhappy

Alpha Squad, there's a place you can go  
I said Alpha Squad, when you are sober and broke  
You can come here  
and I'm sure you'll find many ways to shoot Rebels

It's fun to fly with the SD Warrior  
It's fun to fly with the SD Warrior

We win everything and your men will enjoy it  
You can torture all the droids

It's fun to fly with the SD Warrior  
It's fun to fly with the SD Warrior

You can get yourself shot  
You can have a good ale  
You can do whatever you feel

Just ask, Colonel Zekk Terrik  
I said Alpha Squad, What do you want to be  
I said Alpha Squad, You can make real your dreams  
But you got to leave from the Hammer

Delta Squad, left by themselves  
I said Alpha Squad, put your pride on the shelf  
And just come here, to the SD Warrior  
I'm sure you will find happiness

It's fun to fly with the SD Warrior  
It's fun to fly with the SD Warrior

We win everything and your men will enjoy it  
You can torture all the droids

It's fun to fly with the SD Warrior  
It's fun to fly with the SD Warrior

You can get yourself shot  
You can have a good ale  
You can do whatever you feel

I said Alpha Squad, we were never in your shoes  
I said Alpha Squad, We never had the blues  
We shoot rebels till they're no longer alive  
We killed the whole rebellion  
That's when Silvius paid us the tap  
and said, Alpha Squad, join us at the bar scene  
It's a place here, in the SD Warrior  
They will offer you drinks all the time

It's fun to fly with the SD Warrior  
It's fun to fly with the SD Warrior

We win everything and your men will enjoy it  
You can torture all the droids

SD Warrior,  
It's fun to fly with the SD Warrior  
Alpha Squad, Alpha Squad,  
There's no need to feel down  
Alpha Squad, Alpha Squad,  
Get yourselves off the Hammer  
SD Warrior, just come to the SD Warrior

Alpha Squad, Alpha Squad, we were never in your shoes  
Alpha Squad, Alpha Squad, We never had the blues
