

Oops, All Bombers Again  
Parody of: Oops, I did it Again by Britney Spears

Brrt Brrt Brrt Brrt Brrt  
Brrt Brrt Brrt Brrt Brrt Brrt

I think we did it again  
We made you believe we're not one of those squadrons

Oh baby

You better hope that we crash  
Because you are not, not killing us  
Countermeasures are useless  
When you are facing Brrt and Ernie

Oh baby seals

Oops! All Bombers again  
You played with your Smurf, you still lost the game

Oh baby seals

Oops, you forgot that we love  
To engage from the front  
Your death is imminent

We have no problem with this  
We're drifting away  
Chuckling Golos, as you try to joust  
You die, as it explodes in your face  
I'm no fool to your amateur ways  
But to use frontal shields  
There is no way to stop me

Oh baby seals

Oops! All Bombers again  
We play with our food, get lost in the game

Oh baby seals

Oops, you think that you're tough  
But you're not good enough

Our victory is imminent

Brrt Brrt Brrt Brrt Brrt  
Brrt Brrt Brrt Brrt Brrt Brrt

Getting bored

ElleOhh, before you die, there's something I want you to have

Oh, it's beautiful, but wait a minute, isn't this?

Yes, yes it is

But Wookiee, I thought we were all Bombers?

Well, Elle, I switched to support just to get it for you

Aww, you shouldn't have

Oops, all Bombers at the start  
Got lost in this game, hey Wookiee  
Oops, I sent you a juicy green orb  
All your mines were spent  
Oops, unstable engine  
You may have killed me, but you're also dead

Oh baby, seals

Oops, you think you can run  
So I light up your bum  
Did you get that multilock I sent?

Oops! All Bombers again  
We played with these scrubs, just to get the screen

Oh baby seals  
Oops, you think that we love  
Doing all the above  
We're definitely not innocent
