

Song: I shot a seal and I liked it

Sing to the tune of <https://www.youtube.com/watch?v=C3KPlowsyJs>

This was always the way I planned
All my intention

I got so brave, stick in hand
Shot my concussion

It's not what I'm used to
Just wanna win and move on
I'm just farming you
Have to RtF more

I shot a seal and I liked it
The sight of his burning A-wing

I shot a seal just to win it
I hope Marenta don't mind it

It felt so wrong
It felt so right

This means I'm farming all night
I shot a seal and I liked it I liked it

No, I don't even know your level
It doesnt matter

You're my kill-feeding game
Just RtFing more

It's not what EH pilots do
Not how they should behave

My shots feel so true
Hard to obey

I shot a seal and I liked it
The sight of his burning A-wing

I shot a seal just to win it
I hope Marenta don't mind it

It felt so wrong
It felt so right

This means I'm farming all night

I shot a seal and I liked it I liked it

TIE bombers are so magical
Rotary, multilocks and shunt-able

Hard to resist, with so much gore
Too good to deny it

Ain't no big deal, it's lethal friend

I shot a seal and I liked it
The sight of his burning A-wing

I shot a seal just to win it
I hope Marenta don't mind it

It felt so wrong
It felt so right

This means I'm farming all night
I shot a seal and I liked it I liked it
